Eating

Harbin has a variety of food. The sweet and sour pork is crispy on the outside and tender on the inside; the red sausage is rich in garlic flavor and mellow in taste; the large loaf is large in size, crispy on the outside and soft on the inside. The local customs and people here are unique. In winter, there is an ice and snow festival where you can enjoy ice sculptures and play with ice and snow. People love to drink beer and are generous and enthusiastic. They often organize outdoor tours and dance Yangko, which is very lively.

◆ Harbin Red Sausage 哈尔滨红肠

Harbin red sausage is a local iconic delicacy. It has a bright red color, a plump intestine, a strong meaty aroma, a unique smoked flavor and rich spice flavor, and a solid and chewy texture.

◆ Guo Bao Rou 锅包肉

Guo Bao Rou is a classic Harbin delicacy. Selected pork tenderloin slices are battered and deep-fried, and then topped with sweet and sour sauce. The skin is crispy and golden, and the inside is tender and juicy. The sweet and sour taste is appetizing, showing the boldness and delicacy of Northeastern cuisine.

◆ Black Bread 大列巴

It is a traditional food in Harbin with an exotic flavor. It is made with ancient craftsmanship and is as big as a pillow. The outer skin is crispy and fragrant, while the inside is full of wheat fragrance, soft and chewy. The unique yeast fermentation gives it a mellow flavor. Paired with jam and butter, one bite is full of the mellow aroma of time.

◆ Pork Stew With Vermicelli 猪肉炖粉条

Pork stewed with vermicelli is a delicious home-cooked dish in Harbin. The lean and fat pork is stewed until soft and the vermicelli absorbs the rich broth and is soft, chewy and chewy when eaten. The pot is full and steaming.

◆ Sticky Bean Curd 粘豆包

Sticky bean curd dumplings are a traditional Harbin delicacy. They are made of glutinous flour as the skin and wrapped with sweet bean paste. After being steamed, they become soft, sticky and full of bean fragrance. One bite is full of mellow Northeastern flavor.

◆ Sauce Bone Stick 酱骨棒

Pork shank bones are used and stewed for a long time, so that the bone marrow and meat fully absorb the aroma of the sauce. When eating, wear gloves to grab the bone shank and chew it, showing the heartiness of eating meat with big mouthfuls. The delicious bone marrow is the essence of it.

◆ Three Fresh Vegetables 地三鲜

The three fresh vegetables in the dish are a mouth-watering traditional delicacy in Harbin. The three common ingredients, eggplant, potato and green pepper, are carefully selected and skillfully cooked to give them a new charm. The eggplant absorbs the fat and becomes soft and tasty, the potato is fried until golden and crispy on the outside and soft on the inside, and the green pepper retains its fresh and crisp taste. When stir-fried over high heat, the salty and fragrant sauce tightly wraps the ingredients, and the rich flavor permeates every part. The taste is rich and layered, and it is simple and homely, but you will never get tired of eating it.
